BUBBLESOME, outrun early, closed with a rush on the outside through the stretch. ENTHUSIASM was prominently placed throughout, though unable to improve his position under pressure. BILLY I. was not hurried during the first half mile, began moving up gradually thereafter, raced to the front with a rush when called upon in the stretch and drew clear in the last sixteenth. HOLLYHOCK, steadied along back of the pace, moved to the front when the pacemaker began tiring, opened up an apparently safe lead coming into the stretch, but tired suddenly nearing the last sixteenth. JOHNNYCAKE had good sped in pacemaking, but was unable to keep up in the drive. WAR GAMES moved up stoutly on the inside down the back stretch, loomed up threateningly nearing the far turn, then dropped back steadily thereafter. TORATION broke down midway of the far turn.

SINGERS FOLLY, outrun early, improved his position steadily, came to the outside in the stretch and, getting to the front inside the last sixteenth, barely lasted to hold FRA DIAVOLO safe. The latter, far back for the first three-quarters, closed with a rush and would probably have been the winner in another stride. BLIND BLARNEY, steadied along in back of the early pace, raced to the front in the stretch, but was unable to maintain his advantage in the closing drive. MARCLEAVE was prominently placed throughout and tired slightly in the final test. THUMBS DOWN was unable to reach the leaders. MISS DIGNITY was unable to threaten. FESTOON displayed good early speed and, hustled along, quit badly in the stretch run. MAJORITY RULE was outrun throughout.

Start good and slow. Won handily; second and third driving.

OUR SPOT lost little time getting to the front and, racing well, gamely withstood the stretch challenge of LE KARONGA. The latter acted badly at the post, but was off well and, improving his position, was gaining at the finish. PRINCE PEACOCK also made up ground gradually and was going well at the end. COLONEL LE raced wide, but closed ground. BERT VAN could not keep up. VILLA BANQUET raced wide. DOROTHY R. was caught in close quarters early.

WENT TO POST—2:58½. AT POST—4½ minutes.

Start good and slow. Won ridden out; second and third driving.

MIRELLA caught OARMOUNT after going a short distance and, taking a good lead entering the stretch, had enough left to hold COL. GOODNIGHT. The latter came very fast through the stretch and was gaining rapidly at the end. ALMA MAE was always well up. NOIR LIGHT tired in the stretch. LITTLE MISTAKE was shuffled back soon after the start.

DOMINANT STAR, after delaying the start for many minutes, broke in motion and, quickly opening up a long lead, was never in serious danger. AZUCAR IS TEMPERAMENTAL

Sulks on Least Provocation Such as Tight Bandage or Girth—Will Run Only on Fast Track.

DETROIT, Mich., May 29.—Ed Lucas, who acts as foreman for "Lex" Wilson, trainer of Azucar and who has the horse directly in charge, told Detroit officials today that Azucar was the most temperamental horse he had ever been around in his career as a trainer. He stated that if a bandage was placed too tight on him, he will not extend himself at all, and that he, personally, puts all of the bandages on the horse for his works and races. If a girth pinches him in any way he will pull up in his works and refuse to extend himself. When he won at Tanforan the past winter, a saliva test was ordered by the stewards, and the veterinary took him to a stall to get the specimen. The horse fought him off and ran him out of the stall, and it was necessary for Lucas himself to take the test for the association.

F. M. Alger, Jr., who owns the horse, is especially anxious to have him start in the Memorial on Saturday. "Lex" Wilson, his trainer, and Mr. Alger both believe that if the horse will once get confidence in himself in running on the track, he would show a good performance, but he likes a pasteboard track and does not favor a heavy cushion, which is kept on the local course.

HAWTHORNE TURF NOTES

Horsemen have noted a rapid improvement in the riding of Henry Hauer, Arlington Heights, Ill., under contract to C. E. Davidson. Hauer piloted his first winner at Aurora several weeks ago. He is seventeen and can do 102 pounds.

H. G. Bedwell announced the retirement of Vacillate which he campaigned through several seasons. She will be bred to Happy Argo.

W. Creese, one of the older riders here, had his first mount of the meeting when he was astride Jules Lazard in the opening race Thursday.

Verna T., owned by F. Umbdenstock, will be vanned to Beulah Park where she will be taken over by Ike Seybold.

Pointing for the Chicago Derby to be run at Hawthorne on Saturday, June 20, Calumet Farm's Count Morse, runner-up to Rushaway in the Illinois Derby at Aurora, worked a mile on a fast track at the former course Thursday morning. Running easily and paced a half mile by Pharosay, the big son of Reigh Count ran the distance in 1:43⅗. The opening half mile was negotiated in :48⅘ and the three-quarters in 1:16.

Trainer Otto Bagley and jockey A. Fermin left Friday night for Latonia, where the former will saddle Transmutable for his engagement in the Quickstep Handicap. Fermin will ride the Old Gold Stable sprinter in the Latonia race.

J. J. O'Byrne expects jockey Glen Smith from Detroit Friday. Smith will do much of the riding for the O'Byrne stable here.

Thomas Young, superintendent of the Lincoln Fields track and also Churchill Downs, comes here next week from Louisville to make an inspection of the Will County course. Cliff Burke, one of Young's assistants, was a visitor at Hawthorne Thursday.

Following ten days on the ground for rough riding in Maryland, jockey F. Faust returns to the saddle here Monday. He is with the B. F. Christmas stable.

Four two-year-olds, including colts by Sun Flag, Diavolo and Sir Gallahad III., and a filly by Burning Blaze, were recent additions to the Shandon Farm Stable, trained by John J. Greely. Gold Flag, the son of Sun Flag, is a half brother to Evergold, a consistent winner under the Shandon colors. Their preparation well advanced before they left Shandon Farm in Kentucky, they promise to be ready for racing within a short time.

S. Vail was the latest of the many riders at Hawthorne to swing into action. He rode his first race of the meeting when he had the mount on Lisa Belle in the fourth race Friday.

His suspension for rough riding at Churchill Downs having expired Thursday, jockey L. "Buddy" Haas was back in silks Friday.

HERE AND THERE ON THE TURF

(Continued from second page.)

ner's hopeful. If Granville happens to win the Suburban this afternoon with a splendid performance it is almost a certainty that Brevity will be the second choice in next Saturday's engagement. While Red Rain has lost much of his following, Cornelius Whitney's colt still has a few faithful supporters who believe he had a legitimate excuse for his disappointing effort in the Withers. It has been said that so much sand and dust was thrown in his face in the run down the back stretch that Red Rain's eyes became inflamen. Belmont's superintendent has been making a practice of sprinkling the front stretch and as the race starts in front of the stand the Whitney colt will not be called upon to take so much dust in the early stages of next Saturday's event.

Count Morse, which might have defeated Rushaway in the Illinois Derby but for the interference he suffered from Dnieper through the stretch, will try for the Belmont, thereby creating Chicago interest in it. In view of the manner in which Rushaway ran in the Latonia Derby the following day, Count Morse should be respected to some extent. Hollyrood, which ran second in the Latonia Derby, is an improved colt now and quite possibly he may be found in his top form next Saturday. The long distance is expected to suit Memory Book and Teufel exactly. Other colts considered as likely starters are Banister, Bien Joli, Coldstream, Brush Hook, Jean Bart, Transporter, Corundum and Mr. Bones. Corundum's mile and a furlong workout yesterday morning was very impressive.

C. W. Williams and James D. Altemus have been interested for several years in working out a plan whereby insurance against injuries or death would be available to jockeys and they have progressed to the extent tnat one company has offered a rate which now is in effect at Rockingham Park, the association having agreed to stand the cost, considerable as it may be. The two brokers are anxious that the insurance be in effect at least at one track continuously for the remainder of the year, so that the company will be able to work out an experience rating and to make the premium more equitable. The trial premium is $1 per ride on the flat and $2.50 in a steeplechase with the total benefit being $1,500 and it is generally believed that the sum for flat jockeys is much too great for the amount of the benefits, but the company promises a reduction if and when it has a better idea of the risks. Compensation for injured jockeys long has been a problem to owners, associations and the Jockey Club, and the matter is being given much consideration by the National Association of State Racing Commissioners.
